Review one missed RBT® practice question

Use this with a practice question you are allowed to review. Do not copy or share questions from the official certification exam.

1. What was the question asking?

Write the decision in your own words.

_____

_____

2. Why did your answer seem right?

Name the detail or definition you relied on.

_____

_____

3. What did you miss?

Choose the closest description:

- ☐ I did not know a term.
- ☐ I mixed up two concepts.
- ☐ I overlooked a detail.
- ☐ I knew the definition but could not apply it.
- ☐ I still disagree with or do not understand the explanation.

If the explanation may be wrong, ask for clarification rather than memorizing it.

4. Explain the difference

The correct option fits because:

_____

_____

My chosen option does not fit because:

_____

_____

5. Change one detail

What could change in the example that would make a different answer appropriate?

_____

_____

6. Try a new example

After reviewing, try a different practice question on the same concept. Explain your reasoning before checking the answer.
